International Women's Day is celebrated on March 8th every year, marks a significant day for acknowledging the incredible achievements and contributions of women across the globe in various fields. It also serves as a day for advocating Gender equality, and women's rights.

On International Women's Day, various recreational activities will be organized aiming at celebrating Womanhood, encouraging Women's Empowerment, as well as fostering a culture of respect and camaraderie, Promoting health and Well being etc.

At ACEM, Women Empowerment Cell scheduled the following events for Female staff and girl students:

- 1. Speech by Director**
- 2. Photo Session**
- 3. Team Lunch with college management**
- 4. Recreational Activities**
- 5. Tree Plantation**

The celebration started with a speech by Director **Dr.S.Ramalinga Reddy** where he emphasized on Work-Life Balance, Self- Management, Time management, Stress Management, Managing Change, Managing Technology, and Managing Leisure Time etc. of Women.

The Director also appreciated the women faculty for their high levels of commitment to the organization. He especially appreciated the manner in which women are great multi-taskers, balancing family life and at the same time exhibiting highest levels of efficiency in connection to work. This was followed by a photo session of Female faculty with the management.

Following which all moved to the Pantry for team lunch hosted by the college management. The objective of organizing team lunch is to encourage the collaboration and team work by bringing individuals from different disciplines together in a relaxed environment. It also served as a reminder of the importance of coming together as a team to celebrate our achievements and strengthen our bonds which communicate a clear sense of direction for organizational growth. This event was the most delightful and memorable as it provided the female staff a refreshing break from their busy schedules.

After lunch, all female faculty and girl students gathered at the college ground for participating in a series of recreational activities.

The Recreational Activities were:

- | | | |
|-------------------|----------------------|----------------|
| a) Musical Chairs | b) Shuttle Badminton | c) Skipping |
| d) Tennikoit | e) Throw Ball | f) Basket ball |

It provides opportunities for exercise, relaxation, connecting with nature, social connections and platform for women to celebrate their accomplishments and nurture their passions.

After recreational activities, there was Tree plantation programme by female faculty. Tree Plantation on Women's day symbolizes growth, strength and the nurturing nature often associated with femininity.
