REPORT ON

Anokha

AY: 2023-2024

DATE: 23.09.2023

The Department of CSE, Department of AI&DS, and Department of CAI organized a technical symposium ANOKHA on 23rd September 2023 for the students of second, third and final Year CSE, AI&DS and CAI students. The main aim of this symposium is to understand how to present a poster, how to design a website, how to perform in core technical quiz and also to know how to perform in non-technical events. The inaugural function was conducted in auditorium. The HoD of AI&DS has inaugurated the seminar and expresses the importance of the event then it is followed by Principal speech. **Dr.Moolis Harish** acted as a resource for the event. Totally 356 students were participated in the symposium. The program was planned for one day. The session was conducted at the class rooms between 11.00am to 1.00pm & 2:00 pm to 4:30pm.

Poster Presentation was a technical event where students prepared posters and exhibited them at the time of symposium. In Tech Quiz, students showed their excellence in programming languages and also many websites were created in Web Designing event. Whereas coming to the non-technical events students showed their creativity in Photography, Spoof, Advertisement and Chinese Whisper.
