

**DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING**  
**ADITYA CODING CLUB**

**Mission:**

Clubs are a great way to meet new friends, enhance your soft skills, earn valuable resume-ready experience, network, and most importantly have fun. The purpose of a student club is to bring everyone together based on their interests and build relations. The Department for Computer Science and Engineering recently formed the **ADITYA CODING CLUB**. The main goal of this club is to make the students excel in this area and establish the center of excellence in programming skills.

**Membership Criteria:**

Membership is open to all students, especially those who are interested to enhance the programming skills. The club welcomes students of all Engineering Discipline.

**Objectives of Club:**

This club helps the students

- Provide platform to students to explore their programming skills and knowledge through curricular and extra-curricular activities in the field of IT.
- To use the skills learned in class.
- Undertake the Mini /Mega project.
- Present research papers in conference or journals.
